Hi Rosa

We are still patiently waiting for CD4 to purchase the pots.  
Once the pots with plants are installed and the plaza horseshoe is free of encampments, our EHBID cleaning/maintenance crews can once again be free to clean and maintain the area.

When the EHBID cleaning/maintenance crews approach the plaza now they are met with hostility from the transients occupying the space and therefore avoid the transients for their safety and to avoid any altercations.

The EHBID has the budget to maintain/clean and take care of the landscaping at the triangle and have been doing it for years until the encampments came in. Once the pots are installed, I'll invite you and your group to share your ideas with the governing EHBID board during a monthly board meeting. We are always open and welcome any and all ideas.

Vaya con Dios,

Jeff Zarrinnam, C.H.A.

**Subject:** The Triangle (Hollywood/Sunset/Prospect)

Hi Jeff,

I'm sorry that I haven't been to any EHLF meetings lately. I had to jump ship for a few months for personal reasons.

I was wondering if you could provide me with an update on the triangle. Last I remember, from around Christmas, was that planters would be installed to minimize the walkway area, but it doesn't look like anything has been done.

The triangle surprisingly looked clean for an extended period last month, but it has once again become a magnet for encampments. I feel that there are some simple cost-effective solutions for

cleaning the area permanently, and I would like to invite you to an informal discussion with a few folks where we could toss around some ideas and find a way to beautify that triangle once and for all.

I look forward to your reply.

Thank you!
